

Preliminary outcomes from the *ABC Music & Me* pilot program in Osceola County, FL

Osceola County, FL completed the first phase of their pilot. The pilot program involved 206 Pre-K students with language-delays. The district is 53% Hispanic. The school used the program from January to May 2008. After completion of the program assessment, the director said:

“I’m excited to report the language learning gains were above the 70% significance level.”

Penny Collins,

Director of Special Education, Osceola County, FL
